Outback Yankee

A fun new rom-com filled with giggles and sighs.

Marina Shenko is not coping with digital detox. If she doesn't reconnect with the world as soon as possible, her social media career will tank.

Once she gets back online, she discovers her parents are in huge trouble for committing major art fraud. All those beautiful paintings she posed in front of? Fake, fake fake!

Marina's fame was the main reason her family were found out. She feels responsible for being the crack in the dam wall. But she also feels stupid because –why didn't she know?

Outback Brat camp isn't all bad. She has plenty in common with a Jackaroo called Cooper, who knows a fair bit about art himself. He's a lad of many talents and is the rom part of the com.

Cooper too has benefited from fraud, by assuming a heritage that isn't his. Turns out, 'fake it till you make it' is not always great advice.
